

Technical Specification

30m + 3m Anti-Twist Reverse Reel

OATRU3013FL3IP

Features

- » Innovative reverse reel with pull-out socket
- » Safety thermal cut-out
- » Fold-out speed wind handle
- » Power LED indicator
- » IP54 rated weatherproof socket
- » IP rated socket ideal for use with pressure washers and in damp conditions

Description

This reverse reel with pull out socket and anti-twist design is an innovative solution that keeps cables from getting tangled. Using the wall mount bracket, fix the reel to the wall close to the power outlet and extend the power socket closer to the required area. The compact design is perfect for the home, garden and light industrial use. Using highly visible green cable, this 'reverse' reel provides an IP54 rated weatherproof 13 amp socket outlet. The drum includes an LED indicator and has a built-in safety thermal cut out for protection against overloading when fully reeled. Supplied with wall mount bracket.
